ABOUT US

Chinee Printer Ink Co., Ltd. is a leading manufacturer of custom inkjet printers and high quality consumables. We have an experienced R & D team and advanced production equipment, according to the different needs of customers, to provide customized printer design and special consumables, to ensure the printing effect of precision and stability.

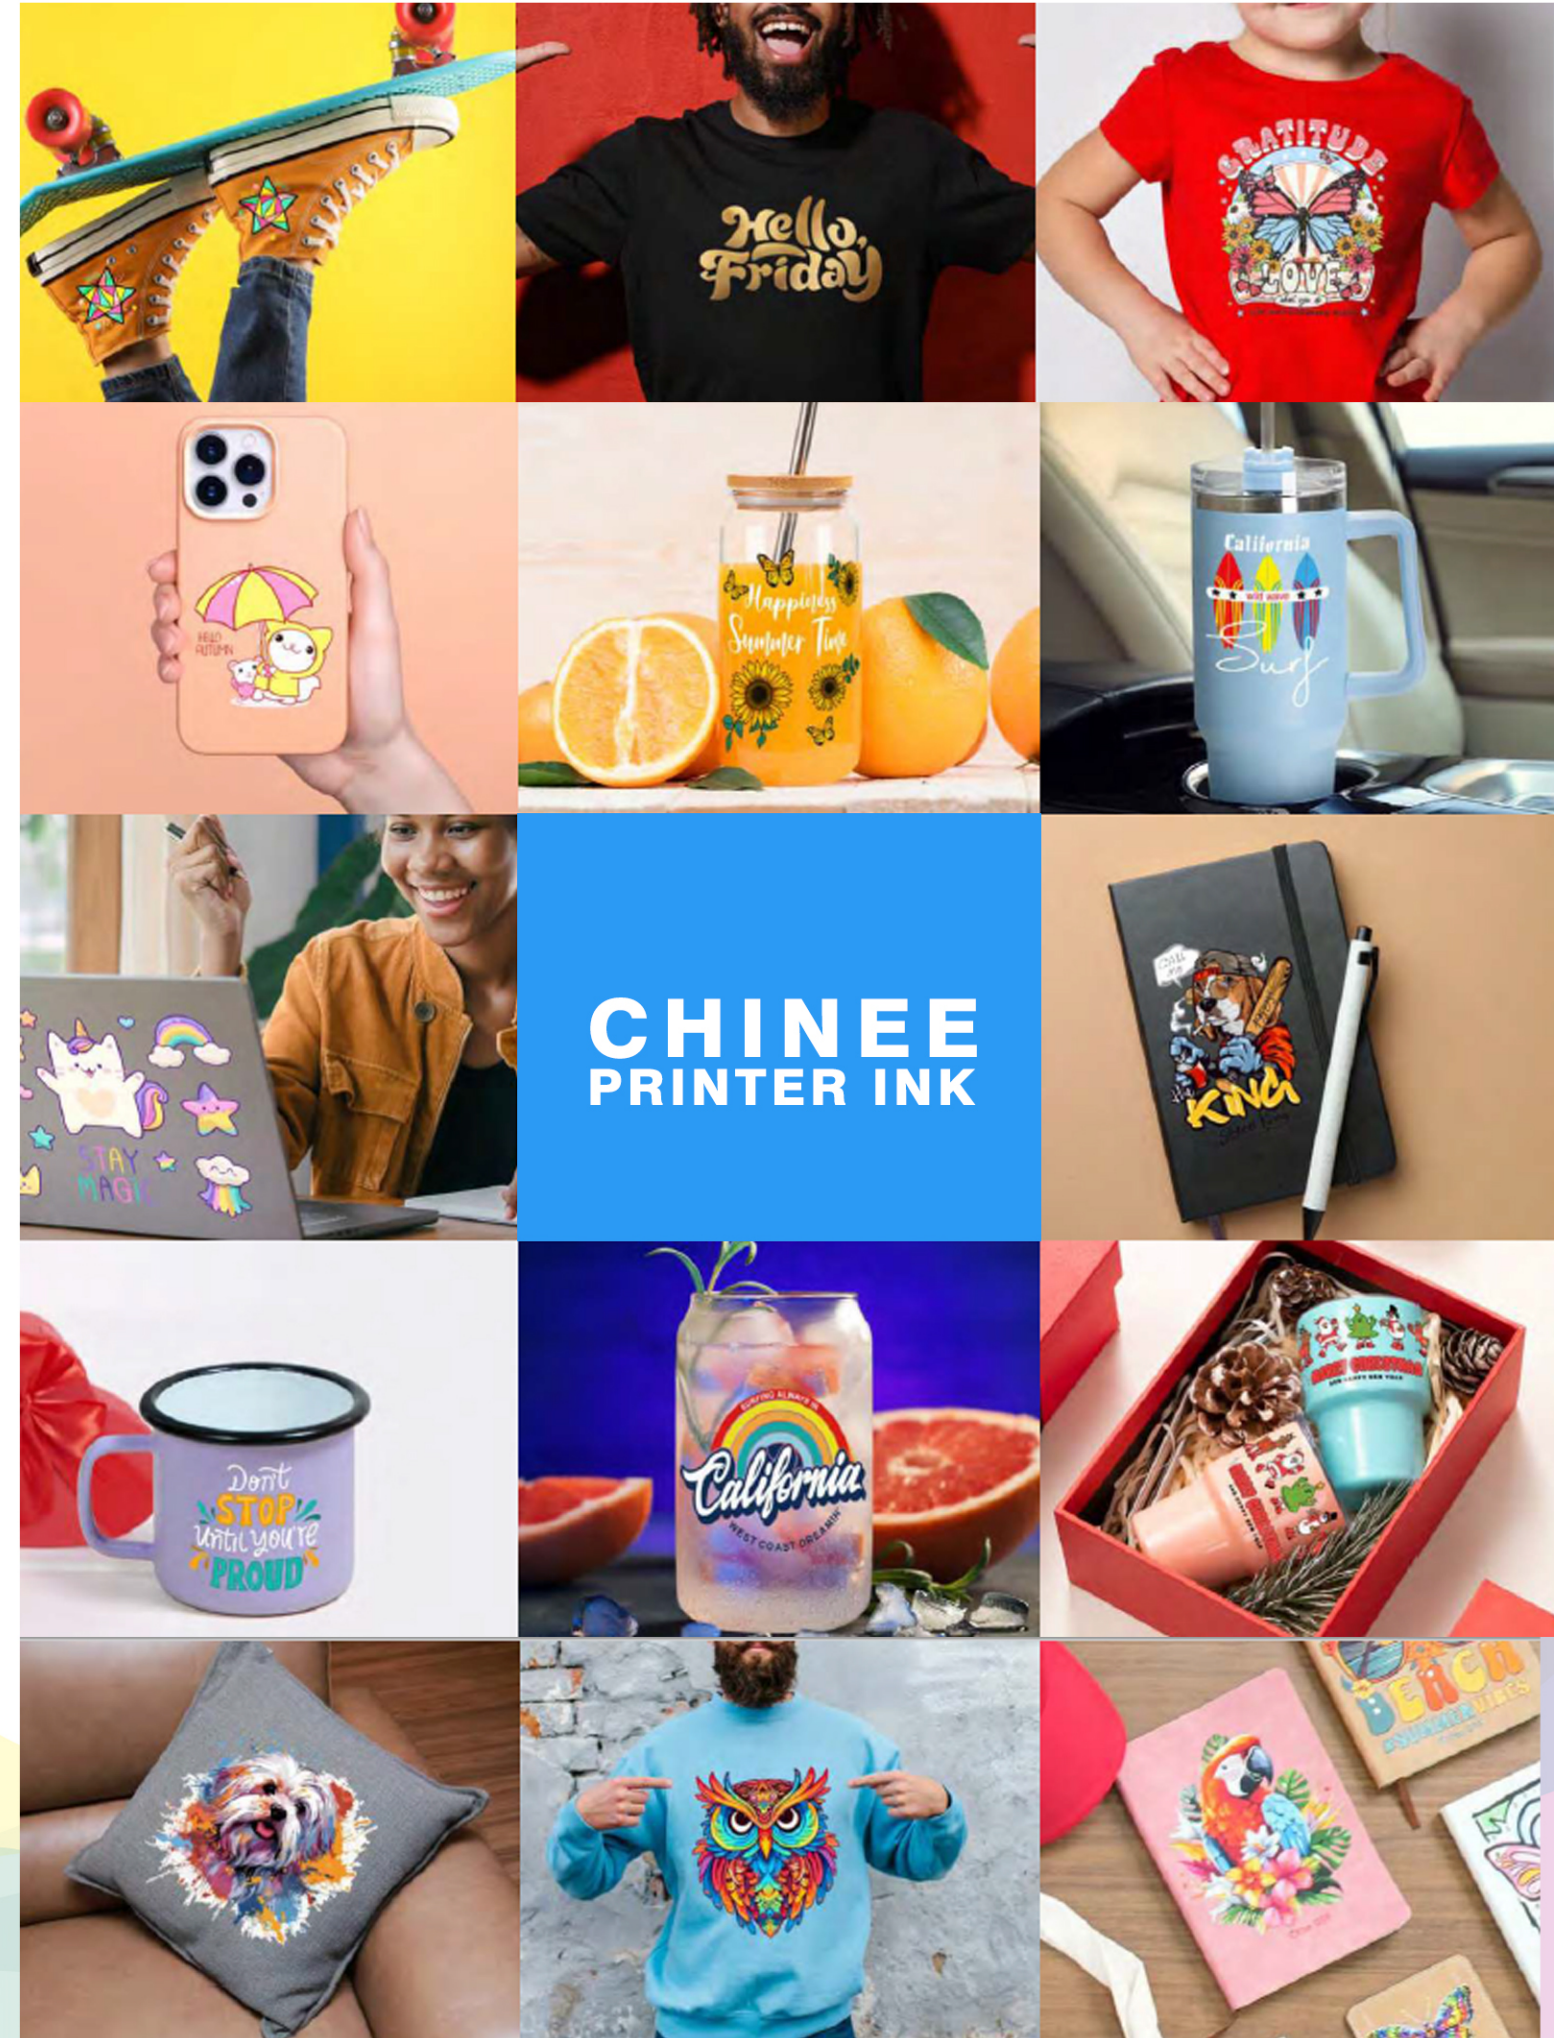

In the production process, we strictly follow international standards and choose environmentally friendly materials to ensure that each product is efficient, environmentally friendly and durable. Our inkjet printers are widely used in advertising, packaging, textile, label and other industries.

Chinee Printer Ink Co., Ltd. adheres to customer-centric, providing comprehensive pre-sale, sale and after-sales services, and is committed to growing together with partners. Whether OEM or ODM services, we provide our customers with quality products and solutions with the highest quality standards and the most competitive prices.

FOCUS ON INKJET PRINTERS AND INKS.

- Our inkjet consumables are eco-friendly, reducing pollution emissions, energy-saving, and carbon-reducing. We convey colors, spread beauty, and protect the earth's environment.
- ✔ With 30 years of experience in printer ink, our products achieve nearly the same printing effect as the original ink, reaching up to 98%.
- ✔ Our factory covers an area of 5000 square meters, with one automated filling line and four manual production lines.
- ✔ We support more than 50 customers, ranging from beginners to distributors, within a year.
